Experience

Pat is a Chartered Accountant with over 20 years of experience in providing business, accounting advisory and assurance services including internal audit to organisations of various sizes and across a wide variety of industries both in Australia and International.

Pat is responsible for the day to day oversight of the implementation of the internal audit program and audit projects for his clients. He engages with client senior management in the delivery of assurance services and attends Audit and Risk Committee meetings to present reports and audit findings.

He currently specializes in the management and delivery of Probity Advisory and Audit, Internal audit programs and consultancy services across a range of public sector clients mainly in the State government and Local Government sectors. His broad experience also includes the superannuation, transport, distribution, construction and utility sectors

Pat has also led the delivery of performance and compliance reviews/audits, in particular contract compliance, and investigations.
